

Event Photographer/Videographer

Time Commitment

On an as-needed basis, often in evenings

Purpose

Provide photos for library publicity and documentation of programs and other events. Staff are not always able to take the time and care needed to get a quality photo of the event because they are involved in the program/event

Benefits of Volunteering

- Chance to meet new people
- To work in pleasant surroundings
- Opportunity to share your photography on library web site/e-newsletter
- To develop new skills
- Give something back to the community
- Share your talents
- Feel needed and valued
- Enhance your resume
- Satisfaction from accomplishment

Duties & Responsibilities

- Take and save photographs of library events/programs as well as other candid shots of the library
- Obtain photo releases of subjects
- Submit photos to library PR person and/or library director for publication consideration or for other uses
- Video library events

Skills/Abilities/Qualifications Required

- Ability to work congenially with staff, patrons and other volunteers
- Knowledge of digital cameras and photographic software
- Artistic eye and demonstrated skill with digital photography
- Ability to follow written and oral directions
- Good communication skills
- Sensitivity to a subject's willingness to be photographed
- Willingness to work with equipment provided
