Duties & Responsibilities

Records events at the Topsham Public Library for broadcast on Community Television, YouTube and Vimeo. The library owns a camera setup and can provide some training. We are particularly interested in someone who has some experience in using film equipment for Community TV or amateur/professional events. Many events or lectures occur after 6:00 PM. We are also interested in developing a monthly library "show." Ideally, we could use several people who would be willing to share duties and cover particular programs. Teens (14 and up) or adults will be considered for this volunteer opportunity.
