

### **Good girls guide to murder**

As her senior capstone project, Pippa Fitz-Amobi is determined to find the real killer in a closed, local murder case, but not everyone wants her meddling in the past.

### **One of us is next**

A year after the Bayview four were cleared of Simon Kelleher's death, a new mystery has cropped up--a game with dangerous consequences that's targeting students at Bayview again. And if the creator isn't found soon, dangerous could prove deadly

### **Three things I know are true**

Five months ago, Liv's brother, Jonah, shot himself. Their house is full of machines and nurses working around the clock to keep Jonah alive. Liv ends up being the one to care for Jonah. Liv hasn't spoken to Clay, Jonah's best friend, since the accident. The gun belonged to Clay's father, and Liv's mom is suing Clay's father, there are lines Liv is not supposed to cross. Liv knows that Clay is nearly as broken as Jonah. And she refuses to turn away from Clay, just as she refuses to give up on Jonah.

### **Spell hacker**

In Kyrkarta, magic--known as maz--was once a freely available natural resource. Then an earthquake released a magical plague, killing thousands and opening the door for a greedy corporation to make maz a commodity that's tightly controlled--and, of course, outrageously expensive. Which is why Diz and her three best friends run a highly lucrative, highly illegal maz siphoning gig on the side. Their next job is supposed to be their last heist ever. But when their plan turns up a powerful new strain of maz that (literally) blows up in their faces, they're driven to unravel a conspiracy at the very center of the spellplague--and possibly save the world. No pressure

### **All the stars and teeth**

As princess of the island kingdom Visidia, Amora Montara has spent her entire life training to be High Animancer--the master of souls. When her demonstration goes awry, Amora is forced to flee. She strikes a deal with Bastian, a mysterious pirate: he'll help her prove she's fit to rule, if she'll help him reclaim his stolen magic. A destructive new magic is on the rise, and if Amora is to conquer it, she'll need to face legendary monsters, cross paths with vengeful mermaids, and deal with a stow-away she never expected... or risk the fate of Visidia and lose the crown forever

### **The queen's assassin**

Caledon Holt is the Kingdom of Renovia's deadliest weapon. He's also bound to the Queen by an impossible vow--to find the missing Deian Scrolls, the fount of all magical history and knowledge, stolen years ago by a nefarious sect called the Aphrasians. Shadow has been training all her life to follow in the footsteps of her mother and aunts--to become skilled enough to join the ranks of the Guild. Though magic has been forbidden since the Aphrasian uprising, Shadow has been learning to control her powers in secret, hoping that one day she'll become an assassin as feared and revered as Caledon Holt. When a surprise attack brings Shadow and Cal together, they're forced to team up as assassin and apprentice to hunt down a new sinister threat to Renovia.

As Will, fifteen, sets out to avenge his brother Shawn's fatal shooting, seven ghosts who knew Shawn board the elevator and reveal truths Will needs to know.

### **Skyjacked**

Five teenagers from the elite Hartwell Academy are on their way back to New York from an end-of-summer camping trip in Idaho when they realize that something has gone wrong; one of them has become violently ill, and their private plane has apparently been hijacked and is headed in the wrong direction--and even if they can somehow break into the cockpit and manage to overpower the hijacker, they have no idea how to fly the plane, much less land it.

### **Tweet Cute**

Meet Pepper, swim team captain, chronic overachiever, and all-around perfectionist. Her family may be falling apart, but their massive fast-food chain is booming - mainly thanks to Pepper, who is barely managing to juggle real life while secretly running Big League Burger's massive Twitter account. Enter Jack, class clown and constant thorn in Pepper's side. When he isn't trying to duck out of his obscenely popular twin's shadow, he's busy working in his family's deli. His relationship with the business that holds his future might be love/hate, but when Big League Burger steals his grandma's iconic grilled cheese recipe, he'll do whatever it takes to take them down, one tweet at a time.

### **Now entering Addamsville**

Someone burns down the home of the school janitor and he dies in the blaze. Everyone in Addamsville, Indiana, points a finger at Zora Novak, despite the fact she has been on the straight and narrow since her father was thrown in jail. Addamsville has a history of tragedy, and thirty years ago a similar string of fires left several townspeople dead. The arsonist was never caught. Teaming up with her cousin Artemis, an annoying self-proclaimed Addamsville historian, Zora must deal with a popular ghost-hunting television show riling up the townspeople, almost no support from her family and friends, and rumors spinning out of control. Getting people to believe the truth might prove to be impossible

### **Frankly in Love**

### **Serpent & Dove**

The war between witches and Church is an ancient one, and Lou's most dangerous enemies bring a fate worse than fire. Unable to ignore her growing feelings, yet powerless to change what she is, a choice must be made.

## The Arc of a Scythe series by Neal Shusterman

**Scythe-** In a world where disease has been eliminated, the only way to die is to be randomly killed ('gleaned') by professional reapers ('scythes'), two teens must compete with each other to become a scythe--a position neither of them wants. The one who becomes a scythe must kill the one who doesn't.

**Thunderhead-** Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, and the Thunderhead is not pleased.

**The toll-** It's been three years since Rowan and Citra disappeared; since Scythe Goddard came into power; since the Thunderhead closed itself off to everyone but Grayson Tolliver. In this pulse-pounding conclusion to Neal Shusterman's Arc of a Scythe trilogy, constitutions are tested and old friends are brought back from the dead

## 10 Blind Dates

Sophie wants one thing for Christmas-a little freedom from her overprotective parents. So when they decide to spend Christmas in South Louisiana with her very pregnant older sister, Sophie is looking forward to some much needed private (read: make-out) time with her long-term boyfriend, Griffin. Except it turns out that Griffin wants a little freedom from their relationship. Heartbroken, Sophie flees to her grandparents' house, where the rest of her boisterous extended family is gathered for the holiday. That's when her nonna devises a (not so) brilliant plan: Over the next ten days, Sophie will be set up on ten different blind dates by different family members.

## Call Down the Hawk

Ronan Lynch is a dreamer. He can pull both curiosities and catastrophes out of his dreams and into his compromised reality. Jordan Hennessy is a thief. The closer she comes to the dream object she is after, the more inextricably she becomes tied to it. Carmen Farooq-Lane is a hunter. Her brother was a dreamer . . . and a killer. She has seen what dreaming can do to a person. And she has seen the damage that dreamers can do. But that is nothing compared to the destruction that is about to be unleashed.

## Every other weekend

Adam Moynihan's life used to be awesome. Straight As, close friends and a home life so perfect that it could have been a TV show straight out of the 50s. Then his oldest brother died. Jolene Timber's life is nothing like the movies she loves--not the happy ones anyway. As an aspiring director, she should know, because she's been reimagining her life as a film ever since she was a kid. With her divorced parents at each other's throats and using her as a pawn, no amount of mental reediting will give her the love she's starving for. Forced to spend every other weekend in the same apartment building, the boy who thinks forgiveness makes him weak and the girl who thinks love is for fools begin an unlikely friendship.

## Angel mage

Liliath is one of the greatest practitioners of angelic magic to have ever lived, summoning angels and forcing them to do her bidding. More than a century has passed since she crept into the empty sarcophagus of Saint Marguerite, fleeing the Fall of Ystara. She emerges from her magical sleep still beautiful, looking no more than nineteen, and determined to be united with her lover, Palleniel, the archangel of Ystara.

Most of the inhabitants of Ystara died from the Ash Blood plague or were transformed into beastlings, and Liliath cares nothing for the descendants of her people save how they can serve her. It is four young Sarancians who are the key to her quest-- pawns in a scheme to fulfill her destiny and be united with the love of her life.
